

Sufficient Yet My Grace Shall Be

With conviction ♩ = 92-100

1. In weak - ness bur - dened down by sin,
2. Though fools may mock, one day to mourn,
3. And when you choose to come to Me,
4. Through - out this life you'll learn a - new,

a heav - y heart your trial has been.
your heart - felt wit - ness, put to scorn.
My gift, your weak - ness you will see.
that strength is weak - ness grown in you.

Suf - fi - cient yet My grace shall be,

To wash your gar - ments clean in Me.
for tes - to - mo - ny borne of Me.
when sought in plain hu - mil - i - ty.
Your faith will lead you back to Me.
